

NRU - P8

Features & Application

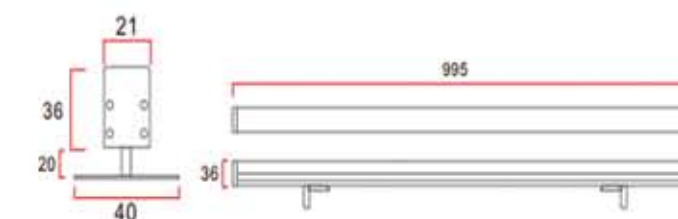

- High quality wall washer
- 0.5m/1m in length optional
- Maximum wattage 18w
- High Light efficiency
- Aluminium alloy fitting with anodic oxidation on surface
- Two type of chips : 5050 , 2835
- Light Control : DMX512
- Applied in decorative lighting of external wall and architectural lighting

LED Projector Light

IP65 dual-waterproof Dmx led linear light

Product Model	P8-7.2w	P8-11w	P8-14.4w	P8-18w
Rated Power	7.2w/m	11W/m	14.4W/m	18W/m
LED Quantity	8 pixel per meter	10 pixel per meter	16 pixel per meter	32 pixel per meter
Light Color	RGB			
Beam Angle	120°			
Input Voltage	DC12V			
Control Mode	Constant Voltage			
Panel	Diffuser			
Body	Aluminium			
Length	100 cm	100 cm	100 cm	100 cm
