

## NRU - P6060

### Features & Application

- indoor install
- Maximum wattage 55w
- Aluminium panel
- Aluminium alloy fitting with Polyester Powder Coating on surface
- Equiped with Light Guide Panel (LGP)
- Beam angles 120°
- Good quality light available in 3000K/4000K/6000K
- Applied in Commercial and Administrative Complexes , Hospital,etc

Product Model	NRU-P4040	NRU-P6060
Rated Power	36w	55W
Dimension	396*396*12 mm	596*596*12 mm
Light Color	3000K/4000K/6000K	
Beam Angle	120°	
Input Voltage	AC220V	
Control Mode	Constant Voltage	
Panel	Aluminium	
Body	Aluminium
